JESÚS ACOSTA

DEVELOPER / PROGRAMMER & WEB DESIGN

EDUCATION

University Technician In Computing
1989-1995

University Institute "Antonio José de Sucre"

Valencia. Venezuela.

Higher University Technician in Computer Science.

EXPERIENCE

Reconext s.r.o.
Říčany. Czech Republic.
2020-2023

Operator

I was on the Microsoft project, performing tasks at the discretion of the group leader. I also examined, tested and checked power supplies (Power Supply), optical disk drives (ODD), solid state disks (SSD) and hard disk drives (HDD). I also performed activities in packaging, product quality (Video Game Consoles) and stress (x-stress).

Hard Rock Cafe s.r.o.
Praha 1. Czech Republic.
2018-2020

Dishwasher

I performed cleaning activities in different areas such as kitchens, refrigerator rooms, etc. I handled specialized equipment in the washing and disinfection of utensils for the kitchen and the restaurant in general.

University of Carabobo.
Valencia. Venezuela.
1998-2015

Systems Analyst Programmer

Developed and supervised the development of programming according to design. Tested, evaluated and recommended software. I followed up the implemented systems and made the necessary corrections. I designed and installed network schemes. Defined and implemented database access levels. I established the means and details of data storage, tables, files, restrictions and security to be applied in the systems. I gained knowledge of different programming languages. Etc.

University of Carabobo.
Valencia. Venezuela.
1990-1998

Programmer I

Designed and developed desktop applications, also implemented different programs and systems. I coordinated the work plan, together with the supervisor. I prepared periodic reports of the activities performed. I maintained and repaired computer equipment. Etc.

PROFILE

I am an IT professional with experience in software development and project management. I am interested in technology and the challenges it poses, and I am always looking for ways to improve processes and efficiency. I consider myself an analytical and methodical person with problem solving and decision making skills. I am happy to put my years of experience at your disposal. If you want to know more about me, please visit my website, Portfolio section.
